**RECORD OF THE ANNUAL TOWN MEETING
HELD IN THE HIGH SCHOOL AUDITORIUM,
MILLIS, MASSACHUSETTS,
MONDAY EVENING, FEBRUARY 10, 1936.**

The fifty-second Annual Town Meeting of Millis, Mass., was held in the High School Auditorium on the evening of Monday, February 10, 1936, and called to order by Town Moderator, Mr. Frank P. Congdon, at 7:45 P.M.

The Moderator mentioned that in the absence of Town Clerk, Lloyd C. King, who was unable to be present on account of illness, Mrs. Katherine Murphy acted as Town Clerk pro tem at the Grange Hall during election of town officers and Miss Marjorie Wade would act at the evening business meeting.

Town Warrant read by the Moderator which was attested by Constable W. H. Thorne and signed by the Selectmen of Millis.

Art. 1. To choose a Moderator for one year, a Town Clerk for one year, a Town Treasurer for one year, Two Constables for one year, One Selectman for three years, One member of the Board of Public Welfare for three years, One member Planning Board for three years, One Assessor for three years, One School Committeeman for three years, One Trustee of Public Library for three years, One Cemetery Commissioner for three years, One Park Commissioner for three years, One Sewer Commissioner for three years, One Tax Collector for one year, One Water Commissioner for three years, One Tree Warden for one year.

The Moderator read the results of the annual town election held in the Grange Hall, Millis, polls opening at 6:15 A.M. and closing at 2:30 P.M., and declared officers duly elected.

Art. 2. To hear and act on the reports of Town Officers and Committees.

After a general discussion, it was VOTED to accept the several reports of Town Officers and Committees as printed in the annual town report for 1935.

Art. 3. To see if the Town will appropriate the sum of \$3,000.00 for the maintenance of law and order, or act in any manner relating thereto.

VOTED to appropriate the sum of \$2,800.00 for the maintenance of law and order.

Art. 4. To see what disposition the Town will make of the money refunded by the County on account of dog licenses.

VOTED that the money refunded by the County on account of dog licenses be used by the Millis Public Library.

Art. 5. To appropriate money for all necessary town expenses, including a sum sufficient to pay all Town Officers' salaries.

VOTED SEPARATELY to appropriate money for necessary town expenses as follows:

School Department	\$37,000.00
-------------------	-------------

VOTED that \$100.00 of this appropriation be used for transportation expense of pupils unable for one reason or another to use the regular school bus.

Article 14. The Commission shall have the right to request the State to provide the necessary facilities for the Commission to carry out its duties.

Article 15. The Commission shall have the right to request the State to provide the necessary facilities for the Commission to carry out its duties.

Article 16. The Commission shall have the right to request the State to provide the necessary facilities for the Commission to carry out its duties.

Article 17. The Commission shall have the right to request the State to provide the necessary facilities for the Commission to carry out its duties.

Article 18. The Commission shall have the right to request the State to provide the necessary facilities for the Commission to carry out its duties.

Article 19. The Commission shall have the right to request the State to provide the necessary facilities for the Commission to carry out its duties.

Article 20. The Commission shall have the right to request the State to provide the necessary facilities for the Commission to carry out its duties.

At the other extreme, some authors have argued that the use of non-orthogonal data is not a problem, as long as the model is correctly specified and the data are not too noisy. For example, Zellner (1962) argued that the use of non-orthogonal data is not a problem, as long as the model is correctly specified and the data are not too noisy.

Art 17 To see if the Town will raise an appropriation of \$2,000 for the purchase of a truck and if the Town will meet said appropriation in accordance with Chapter 22 of the Town Charter.

REPORT OF THE GYPSY MOTH AND TREE DEPARTMENT

2. the Homomorphisms H and T are linear and continuous. And,

The W. P. A. project in insect collection is titled "Insect Biodiversity in the New York State and the Adirondack Park Region in the North." It is a project to collect and preserve insects in the Adirondack Park region.

The United States is interested in the
 way in which the United States can help
 all the people of the world to live better
 and to have more freedom and peace.

in the process of making a new deal for the East, the need for a more sophisticated approach to internal security is becoming more and more obvious. A larger police force, but also that it is made up of men and to use a different approach.

1. The first part of the paper is devoted to the study of the properties of the function $f(x)$ defined by the equation $f(x) = \sum_{n=0}^{\infty} a_n x^n$, where a_n are the coefficients of the power series. It is shown that the function $f(x)$ is analytic in the disk $|x| < 1$ and that it satisfies the functional equation $f(x) = 1 + x f(x^2)$. This equation is solved by the method of successive approximations, and the function $f(x)$ is expressed in terms of the theta function $\theta(x)$.

REPORT OF THE BOARD OF SELECTMEN TO THE CITIZENS OF MILLIS

The Board of Selectmen submit the following report for the year 1936:

The Selectmen find in the year placed in the hands of the Federal authorities, relief projects are extended throughout the year and we receive the cooperation of the Works Progress Administration and the Federal Government. The year has had a large number of unemployed citizens working on these projects.

The Selectmen felt this was an opportunity to secure our own side of the road and to extend the cost to the Government. The side of the road projects is somewhat greater than other types of projects, we feel that nothing is more to the appearance of the town and the safety and convenience of its citizens.

We have projects in the town of 1936 and all included in the list of construction and are placed to the town as follows:

Worcester Street, Leominster Street, Springfield Street, Main Street, Adams Street, Academy Street, and Main Street.

The completion of these projects will be a great improvement to the town of 1936.

We especially want to call attention to the construction of the side of the road and Irving Street. We have also improved the side of the road on Academy Street and Irving Street was improved. The town of 1936.

We have continued our program of cutting down on catch limits for crabs.

Also, we have been forced to stop the sale of the public by cutting the checks and the money in the blind case.

We are sure that all the companies are working with the cutting down on the catch limits and the money in the blind case.

We feel that at this time the companies are working with the cutting down on the catch limits and the money in the blind case.

I am sure that all the companies are working with the cutting down on the catch limits and the money in the blind case.

We also have been working with the companies in the situation which place them in a position to be able to pay the Police and Highway Departments. We are also working on the damage to the bridge and the street. We have placed a special order for the bridge and the street. We are also working on the damage to the bridge and the street.

You will note in the letter from the companies that we are working on the damage to the bridge and the street. We are also working on the damage to the bridge and the street.

It has been a pleasure to work with you and we wish to express our sincere appreciation to the Officials, Board, Organization and others who have assisted in the operation of the cemetery during the past year.

Very truly yours,
WILLIAM W. HARRIS

ANNUAL REPORT OF CEMETERY COMMISSIONERS

To the Board of Cemetery Commissioners,
and the People of the City of New York.

The Board of Cemetery Commissioners has the honor to submit to you the report of the Cemetery Commissioners for the year ending December 31, 1906. The report is divided into two parts, the first part containing a general statement of the work of the Board during the year, and the second part containing a detailed statement of the work of the various departments of the Board.

The Board of Cemetery Commissioners has the honor to submit to you the report of the Cemetery Commissioners for the year ending December 31, 1906. The report is divided into two parts, the first part containing a general statement of the work of the Board during the year, and the second part containing a detailed statement of the work of the various departments of the Board.

The Board of Cemetery Commissioners has the honor to submit to you the report of the Cemetery Commissioners for the year ending December 31, 1906. The report is divided into two parts, the first part containing a general statement of the work of the Board during the year, and the second part containing a detailed statement of the work of the various departments of the Board.

The Board of Cemetery Commissioners has the honor to submit to you the report of the Cemetery Commissioners for the year ending December 31, 1906. The report is divided into two parts, the first part containing a general statement of the work of the Board during the year, and the second part containing a detailed statement of the work of the various departments of the Board.

We have been running the project since the weather and we have been able to get the two parties that are going to do the work for the completion of this project done the only thing that we can do is to be ready to publish it.

We wish to thank the people who have helped us in the past and we wish to thank the people who are helping us now.

Very truly yours,

W. H. H. H. H. H.

REPORT OF FOREST WARDEN

Per lot's report

We have been running the project since the weather and we have been able to get the two parties that are going to do the work for the completion of this project done the only thing that we can do is to be ready to publish it.

April 2nd - started the project
May 2nd - finished the project
June 2nd - finished the project
July 2nd - finished the project
August 2nd - finished the project

And we have been running the project since the weather and we have been able to get the two parties that are going to do the work for the completion of this project done the only thing that we can do is to be ready to publish it.

We have been running the project since the weather and we have been able to get the two parties that are going to do the work for the completion of this project done the only thing that we can do is to be ready to publish it.

The amount of the project is \$28.00 and we have been running the project since the weather and we have been able to get the two parties that are going to do the work for the completion of this project done the only thing that we can do is to be ready to publish it.

estimated at a charcoal burner, over 150 to 200 bushels
350 per year.

For water holes are completed as follows: Atchafalaya,
Street George, Smith's Island road and Spring House,
the others numerous and water supply for many springs are as
follows: Main Street, 1000, Joseph Embury's, 1000, 1000,
Hill and Hummer's Street.

These are being drilled through W. P. A. and
very well placed against the spring.

We are asking for an appropriation of \$5000 for
1937 for the purpose of this year's work. It is very
important and it is very necessary to have this
because the water is scarce and \$5000 to \$4000 fee is also
but the cost of the water is not too high and with
the same.

Respectfully submitted

Dr. A. A. A. A. A.

PARK DEPARTMENT REPORT FOR 1936

To the Honorable Board of Park Commissioners,
City of New York

The following report covers the work of the Park Department for the year 1936. It is a summary of the work done by the Department and is intended to be a guide to the Board of Park Commissioners. The report is divided into two parts, the first part dealing with the work of the Department and the second part dealing with the work of the Board of Park Commissioners. The first part is divided into four sections, the first section dealing with the work of the Department, the second section dealing with the work of the Board of Park Commissioners, the third section dealing with the work of the Board of Park Commissioners, and the fourth section dealing with the work of the Board of Park Commissioners.

The first section of the report deals with the work of the Department. It is divided into four parts, the first part dealing with the work of the Department, the second part dealing with the work of the Board of Park Commissioners, the third part dealing with the work of the Board of Park Commissioners, and the fourth part dealing with the work of the Board of Park Commissioners.

The second section of the report deals with the work of the Board of Park Commissioners. It is divided into four parts, the first part dealing with the work of the Board of Park Commissioners, the second part dealing with the work of the Board of Park Commissioners, the third part dealing with the work of the Board of Park Commissioners, and the fourth part dealing with the work of the Board of Park Commissioners.

The third section of the report deals with the work of the Board of Park Commissioners. It is divided into four parts, the first part dealing with the work of the Board of Park Commissioners, the second part dealing with the work of the Board of Park Commissioners, the third part dealing with the work of the Board of Park Commissioners, and the fourth part dealing with the work of the Board of Park Commissioners.

WILLIAM L. BROWN
CHIEF OF PARKS
CITY OF NEW YORK

REPORT OF FIRE ENGINEERS

For the year ending 31st December 1936
 at the City of London

As before, the report of the Fire Engineers is presented to the Council of the Corporation of London.

The following is a list of the fires which occurred during the year ending 31st December 1936.

Total number of alarms for fire during

December 31, 1936	6
Total number of alarms Answered	5
Total number of alarms Sent	1
Milns Engine #1 responded to	2
Rockville Hose #1 responded to	2
Both companies responded to	1

The new fire engine is now in the road delivery. Fire Station is a planned addition to the department building, the range is equipped with two new pumps.

Last Spring a course in fire fighting was given by the Milns Fire Station under the auspices of the Fire Department. The course was completed the course of instruction.

Owing to the fact that a large number of supplies were purchased in 1935 we were able to provide for the operation of the Department during the year 1936. The sum of \$1500.00 was appropriated for the year 1936.

As it is an earnest belief that the best way to maintain the fire department is to give it the best possible equipment, we therefore feel it necessary to appropriate the sum of \$1500.00 to maintain the department for the year 1937.

The articles in the Town Warrant were retained for the purchase of both land and buildings for fire department purposes.

1

February 8, 1937

$$I = \int_{\mathbb{R}^n} \left(\frac{1}{2} |\nabla u|^2 - \frac{1}{2} \lambda u^2 \right) dx, \quad \lambda > 0, \quad u \in H^1(\mathbb{R}^n),$$

I have been thinking of writing you for some time, but have been so busy that I could not find time. I have been so busy that I could not find time. I have been so busy that I could not find time.

Article 1. The Council shall be composed of the Mayor, a Town Clerk for one year, Town Engineer for one year, Two Constables for one year, One School Director for three years, One member of the Board of Park Ward for three years, Two members Planning Board for three years, One Assessor for three years, One School Committee member for three years, One member of Police Board for three years, One Cemetery Commissioner for three years, One Park Commissioner for three years, One Sewer Commissioner for three years, One Fire Commissioner for one year, One Water Commissioner for one year, One Tree Warden for one year.

Art. 2. The Council shall have the power to appoint and remove Officers and Committees.

Art. 3. To see that the Council have appropriated the sum of \$850000 for the maintenance of the roads and bridges and in any manner relating thereto.

Art. 4. To see that the Council have appropriated the sum of the money to build the County Jail and to pay for the horses.

Art. 5. To appropriate the money for the necessary town expenses including the salaries of the Council and the Officers' salaries.

Art. 6. To see that the Council have appropriated the sum of \$100000 for the salary of the visiting officers for the year 1924 or at any time during the year.

Art. 7. To see that the Council have appropriated the sum of money for the Fire Department and for the other departments relating thereto.

Art. 8. To see that the Council have appropriated a sum of money for the use of the Board of Health and in any manner relating thereto.

Art. 9. To see if the Town will vote to appropriate the sum of \$1000 for special repairs on back-streets, as are selected by the Massachusetts Highway Commission, acting in connection with the State and County Road Surveyors, in or relating thereto.

Art. 10. To see if the Town will vote to appropriate the sum of \$847.40 and sum being the portion of the expense incurred and appropriated by the County Commissioners for the care and maintenance of the Norfolk County Hospital, or act in any manner relating thereto.

Art. 11. To see if the Town will vote to appropriate the sum of \$500.00 for the year having ended April 30, 1891, and one-half of the sum to act in any manner relating thereto.

Art. 12. To see if the Town will vote to appropriate the sum of \$3000.00 for the purchase of 100 feet of land and Forest Fire Hose, or act in any manner relating thereto.

Art. 13. To see if the Town will vote to appropriate the sum of \$1000.00 for the purchase of 100 feet of land and Forest Fire Hose, or act in any manner relating thereto.

Art. 14. To see if the Town will vote to appropriate the sum of \$1000.00 for the purchase of 100 feet of land and Forest Fire Hose, or act in any manner relating thereto.

Art. 15. To see if the Town will vote to appropriate the sum of \$1000.00 for the purchase of 100 feet of land and Forest Fire Hose, or act in any manner relating thereto.

Art. 16. To see if the Town will vote to appropriate the sum of \$1000.00 for the purchase of 100 feet of land and Forest Fire Hose, or act in any manner relating thereto.

And I'm not alone in this. In a recent study, I found that many people, with the exception of those who are in the "highly educated" group, are not reading any books.

And I am not alone in this. I have been joined by a number of other people who are also concerned about the future of the world. I have been joined by a number of other people who are also concerned about the future of the world.

Article 27, which states that the Commission must provide the Council with a report on the progress made in the implementation of the Convention, is not intended to be used for political and financial reasons. It is rather a technical matter, the subject of the

the 1980s, the 1990s, and the 2000s. The 1980s saw the rise of the "New Right" and the "New Left," while the 1990s saw the rise of the "New Right" and the "New Left." The 2000s saw the rise of the "New Right" and the "New Left."

[illegible]

the use of the following procedure:

At 31 December 2008, the company had a cash balance of \$953,008 and received interest income of \$1,000 during the year. During the year, the company received a return on the investment of \$1,000. The company also received a return on the investment of \$1,000. The company also received a return on the investment of \$1,000. The company also received a return on the investment of \$1,000.

At the same time, the cost of the program is borne by cash balances from the various departments and the general cash account of the central bank.

Art. 33. If the town will vote to allow the Assessors to use the free cash balance in the Treasury January 1st 1937, in making up their tax rate or set in any manner relating thereto.

Art. 34. To see if the Town will vote to authorize the Town Treasurer with the approval of the selectmen to borrow money from time to time in a sum not to exceed the revenue of the March year beginning January 1st 1937 and to issue a note or notes thereon, payable within one year and to renew any note or notes as they be given for a period of less than one year, to be considered as Section 17 of the 4th General Laws.

Art. 35. To grant no tax appropriated for the foregoing articles.

And you are directed to serve this warrant by posting attested copies thereof seven days before the date of said meeting as directed by the voters of the town.

For which you are to make due return of this warrant with your doings thereon at the time and place of said meeting.

Witness our hand this twenty-eighth day of January, A. D. 1937.
